

Activities at Home

Project: ‘The Greatest Journey’

Dear Parents,

The activity for week: 1

beginning: 28th April 2022

Is: ‘From farm to the shop’

The activity we will be covering involves:

- **Learning all about milk.**
- **Learning and looking at milk products.**
- **Developing vocabulary based on this topic.**

Our activity includes:

Introduce the lesson by talking and looking at images of different animals that produce milk. Show the children different dairy products and discuss the importance of including these in our diets. We will read the book: “Milk from Cow to the carton” by Aiki.

**Watch a video explaining the ‘Journey of milk’, ‘How milk gets from a farm to a fridge’.
Invite the children to experience and join different activities in small groups:**

- **Milk the cow.**

- **Make milkshakes**

You might wish to help your child to explore this topic at home or when you are out and about. Please feel free to approach the teachers for further explanations.

Our suggested activities are:

- **Visit your local library to look for books related to the topic**
- **Visit a farm such as Bocketts Farm (they have a model of a cow to milk!) or just for fun and closer to London Dean City Farm**
- **Make your own milkshakes together and choose the ingredients from the shop together**
