## Project overview Autumn Term

### Marvellous Me

Week 1:	<b>Settling in (rules and routines)</b>
Week 2:	<p><b>My Fantastic Face</b></p> <p>This week the children will be learning to look at the details of their faces and comparing their features to others. The children will be encouraged to make representations of their own faces using a variety of media and materials. We will also be looking at the book 'Let's Make Faces' by Hanoch Piven</p>
Week 3:	<p><b>My Brilliant Body</b></p> <p>This week we will be focusing on health and self-care. The children will learn about what keeps them healthy from eating a variety of foods, to exercise and brushing their teeth. We will also have the opportunity to share and prepare some delicious healthy food with our friends at snack time.</p>
Week 4:	<p><b>My Senses (taste and smell)</b></p> <p>The children will have an opportunity to explore and find out about the senses during this week's activity. They will be focusing on the senses of taste and smell, trying some foods whilst wearing a blindfold and attempting to identify familiar smells!</p>
Week 5:	<p><b>My Senses (sight and sound)</b></p> <p>To continue last week's project all about the senses, the children will be learning about the sense of sight and sound. They will take part in a variety of exciting activities such as listening for sounds and identifying them whilst blindfolded as well as playing with torches and shadows.</p>
Week 7:	<b>HALF TERM</b>
Week 8:	<p><b>My Celebrations</b> <b>(and learning about Diwali)</b></p>

	This week the children will have the opportunity to share and talk about any celebrations or traditions that are important to their family. They will also be learning all about the wonderful, colourful celebration of Diwali and we will be learning about the celebrations that happen all over India and other parts of the world.
Week 9:	<b>My Home and Family</b> We will be exploring and celebrating all families this week. We will be exploring the questions 'What is a family?' and 'What different sorts of families are there?'. We will talk about how we might speak various languages, eat different sorts of food, live in different kinds of homes and celebrate special occasions in a variety of ways.
Week 10:	<b>Look how much I have grown!</b> As a celebratory end to our topic the children will look through photos of themselves and share baby pictures with the class. They will have the opportunity to sort photographs into a timeline and develop an understanding of sequencing. We will also be talking about the wonderful things we have learnt since starting Nursery in September.
Week 11:	<b>Nativity</b> We will be busy performing our Nativity this week so there will be no project.
Week 12:	<b>Christmas Crafts</b> This week is all about Christmas! The children will be talking about their family traditions, making Christmas cards and tree decorations.
