

## **The Roche Nursery School**

Dear Parents

Welcome back to Nursery everyone.

We hope you had a lovely Easter break and that the children are all ready to enjoy the final school term of Nursery this academic year. We also would like to offer a warm welcome to our new friends Douglas (who started at the end of last term), Leonidas and Gabriel.

We have an exciting and busy term ahead of us and the children will have so much to look forward to. Highlights will include the arrival of ducklings which will be based in Reception. We will visit the ducklings each week and have a wonderful opportunity of watching them grow.

We will be starting our new project '**The Greatest Journey**' next week which is an open-ended topic and will include some interesting activities based on the different journeys that animals, objects and people make. We will be posting the project activities onto Tapestry each week so that you are able to see the varied activities the children are taking part in, along with some ideas on how you can support at home.

This term we will be spending some more time with Reception to start those all-important moments of transition for our Upper Nursery Children. We will be visiting the Fire Station together, as well as experiencing a 'Wet and Wild Morning' with paddling pools and water sprinklers as a special treat for the children. We will also be celebrating the children's achievements with a Nursery social event on 3<sup>rd</sup> July. We are particularly looking forward to this event as you will be able to explore the learning environment as well as celebrating your child's achievements with a glass of fizz.

The Nursery children have been invited to take part in the school Run for Us charity event this year. With physical development, health and exercise being such a key element of the EYFS curriculum we are looking forward to the event and the opportunity it brings. This term brings with it 'moving up day' for those children who are moving on to Reception in the next academic year.

Please see below a reminder of important points for each day as well as a list of diary dates.

We look forward to a super term and hopefully the weather will start to warm up soon!

Best wishes

Nursery Team

**Dates for your Diary**  
 (some additional dates are on main school calendar)  
**Summer Term 2024**
