

Projects- The Greatest Journey

Week 1 22.4.24	<p align="center">From Teeny Tadpoles to Fantastic Frogs!</p> <p>This week the children will be collecting some tadpoles during forest school and then learning all about the life cycle of a frog!</p>
Week 2 29.4.24	<p align="center">Zoom, zoom we're going to the moon</p> <p>This week the children will listen to the story of Mae Among the Stars; When Little Mae was a child, she dreamed of dancing in space. Little Mae's curiosity, intelligence, and determination, paved the way for her incredible success at NASA as the first African American woman to travel in space. We will become astronauts ourselves by watching several videos all about the moon landing as well as what life is like on the NASA Space station. Later we will take part in a carousel of space themed activities.</p>
Week 3 6.5.24	<p align="center">My Journey to School</p> <p>This week we will be sharing & discussing how we get to school. The children will learn about a basic survey and find out which mode of transport is the most popular. We will also look at pictures of how children from around the world get to school. Finally, the children will create a map of their journey to school as well as tackling an obstacle course using different movements.</p>
Week 4 13.5.24	<p align="center">The Journey of a Seed</p> <p>The children will learn all about the lifecycle of a tiny seed and how magical the journey of nature can be! They will have a chance to look at various seeds as well as pictures of some unusual plants and flowers. Finally, they will plant their very own nasturtiums in a pot to bring home!</p>
Week 5 20.5.24	<p align="center">Tiny Turtles giant journey</p> <p>We will be listening to several stories about how of the young people can make a difference in the world. We meet Viv, who has a new home and a new school by the sea and follow her as she finds her way in a new place and helps bring together a whole community to save the sea turtles of the South Carolina coast. We will learn about what 'endangered' means as well as the reasons we must take steps to protect turtles. The children will watch some videos of the treacherous journey that tiny turtles make when they hatch.</p>
Week 6	Half Term
Week 7 3.6.24	<p align="center">The Journey of a Letter</p> <p>By listening to a story the children will become familiar with the steps involved with writing a letter, posting it and the journey it takes to be delivered to their doorstep. This week the children will 'write' their own letter, address it and post it themselves. I wonder how long it will take to arrive?</p>
Week 8 10.6.24	Wacky Water Day with Reception

<p>Week 9 17.6.22</p>	<p style="text-align: center;">From the Farm to the Shops! (milk)</p> <p>This week we will learn all about the amazing job of the farmer and how certain food is made. We will be focussing on cows and the journey of milk. We will even be making our own yummy milkshakes!</p>
<p>Week 10 24.6.22</p>	<p style="text-align: center;">The Journey of a bee</p> <p>The children will listen to a story about the journey of a bee and how honey is made. They will also be introduced to pollination and the importance of it. The activities will include finger printing as well as using pipettes and tongs to simulate the journey of pollen to honey.</p>
<p>Week 11 1.7.22</p>	<p style="text-align: center;">Last week of term- party day</p>
