

Projects - “Marvellous Me”

	PROJECT TITLE & ACTIVITY	ACTIVITIES AT HOME TO SUPPORT LEARNING	THE BIG QUESTION
Week 1 08.09.25	Settling In	Settling In	Settling In
Week 2 15.09.25	Settling In	Settling In	Settling In
Week 3 22.09.25	My Face- The children will listen to a story “What I like about me” by Allia Zobel Nolan and participate in activities such as making portraits using loose parts, making faces out of playdough as well making funny pictures of themselves. The children will learn about their facial features and what makes them unique individuals.	Invite your child to make funny faces on their pancakes using different food to make it a fun breakfast morning	What is special about your face?
Week 4 29.09.25	My body- The children will learn all about keeping healthy and the importance of physical activities as well as eating a healthy diet. They will participate in activities involving different exercises to challenge them physically such as an obstacle course	Talk about how your family keeps healthy and have fun exercising together.	Apart from exercise how can you be healthy?
Week 5 06.10.25	Healthy Me This project emphasises the importance of eating a balanced diet. They will listen to the story” I will not ever never eat a tomato” by Lauren Child. The children	Involve your children in everyday chores by encouraging them to go grocery shopping with you, help you cook, serve up the meal. Discuss what	What do you think are rainbow foods?

	will be invited to bring in their favourite vegetable and they will be invited to cut their own vegetables while an adult will be supervising. They will then set up a salad bar and make their own salad. This activity will encourage children to try different foods.	ingredients were used, where do they grow? Think of funny names for the vegetables to have some fun during mealtimes	
Week 6 13.10.25	My Family Through a social story “My Family” by Todd Parr, the children will learn about families, and the different relationships. Who is special and the different responsibilities they have.	Look at family pictures together and make a family tree with photos of the closest family members	Who is the most special member of your family?
Week 7 23.10.25- 31.10.25	HALF TERM	HALF TERM	HALF TERM
Week 8 03.11.25	My Favourite Festival- I will invite the children to talk about their favourite celebrations and what they love about it most. I will then invite the children to participate in a celebration of my favourite festival “Diwali”. The children will have a carousel of activities involving making rangoli patterns, dressing up in traditional Indian clothes.	Discuss the different festivals from around the world and how people celebrate festivals in different ways. Maybe you can decide to celebrate a new festival once a year in your home that you like which is different from the ones you usually celebrate.	What is your favourite festival you celebrate at home?
Week 9 10.11.25	My Senses- The children will listen to a story “My 5 Senses” by Nuria Roca. and learn about their 5 senses. They will then get involved in a variety of sensorial activities where they will use their senses to explore and experiment.	Talk about our 5 senses and make fun experiments at home.	Which sense do you use the most?
Week 10 17.11.25 & Week 11 24.11.25	Nativity Rehearsals	Nativity Rehearsals	Nativity Rehearsals

Week 12 01.12.25	Christmas Celebrations The children will decorate their own Christmas tree with handmade decoration which they will make during the week	Christmas Celebrations The children will decorate their own Christmas tree with handmade decoration which they will make during the week	Christmas Celebrations The children will decorate their own Christmas tree with handmade decoration which they will make during the week
Week 13 08.12.25	Early years Winter fun day The children are invited to come in wearing their Pyjamas and spend the day working on winter themed activities. We will then watch an animated movie along with our friends in Reception drinking hot chocolate and having a snack.
